

Important Reminders!!!

We ask our parents to please be patient for the first few days of the school year.

There are many additional students who will be parent drop off/pick up at the start of the school year as bus passes have yet to be issued for new enrollments and/or address changes.

*A reminder that even if your child was parent pick up during the previous school year, your child will be sent home on the school bus if they are issued a bus pass
UNLESS
the school receives a note indicating
your child will be parent pick up.*

We ask for your patience and understanding during dismissal as we know that this process will take a considerable amount of time.

We do ask that parents please remember to affix the enclosed label to your child's backpack to assist staff in identifying their proper classroom.
